

Dolly Parton and Queen Elizabeth die on the same day and they both go before an Angel to find out if they'll be admitted to Heaven.

Unfortunately, there's only one space left that day, so the Angel must decide which of them gets in. The Angel asks Dolly if there's some particular reason why she should go to Heaven.

Dolly takes off her top and says, "Look at these, they're the most perfect breasts God ever created and I'm sure it will please the angels to be able to see them every day for eternity." The Angel thanks Dolly and asks Her Majesty the same question.

The Queen takes a bottle of Perrier out of her purse, takes a sip and gargles. Then, she spits into a toilet and pulls the lever. The Angel says, "OK, your Majesty, you may go in."

Dolly is outraged and asks, "What was that all about? I show you two of God's perfect creations and you turn me down. She spits into a commode and she gets in! Would you explain that to me?"

Sorry, Dolly," says the Angel, "but even in Heaven a royal flush beats a pair - no matter how big they are!"

A man had just finished reading the book Man of the House while commuting home from work.

By the time he reached home, he stormed into the house and walked directly up to his wife, pointing a finger in her face and said, "From now on I want you to know that I am the man of the house and my word is law! You are to prepare me a gourmet meal tonight and when I'm finished eating my meal, I expect you to present a scrumptious dessert. Then, after dinner, you are to draw my bath and when I am finished guess who's going to dress me and comb my hair?"

"The funeral Director would be my guess," she replied.
